Wood Badge for the 21st Century

WHAT IS IT?

Wood Badge is advanced training for adult leaders in all programs, Cub Scouts, Boy Scouts and Venturing.

There are two parts to Wood Badge:

The **first part** is the two 3-day weekends, or one week, of practical experience where you have an opportunity to learn skills and concepts that underlie the five themes of Wood Badge for the 21st Century:

- **Bringing the Vision to Life**
- **Models for Success**
- **Tools of the Trade**
- **Leading to Make a Difference**
- **Living the Values**

The **second part** is a plan to apply what you learned in the practical course. You will create and carry out a plan of action. When that action is complete, you earn the recognition, beads, neckerchief, and woggle that are the Wood Badge.

WHO SHOULD ATTEND?

Scout leaders learn how to do their jobs through a number of courses offered at the district and council levels. Wood Badge is a comprehensive training

course started by Robert S.S. Baden-Powell, founder of Boy Scouts, to help leaders hone their skills, extend their understanding of boys and of other adults, and go on to new levels of personal growth and learning as scouters.

Wood Badge for the 21st Century melds the best parts of prior courses in a way that benefits all leaders, whether they are involved mostly in Cub Scouts, Boy Scouts or Venturing.

Another way of saying it is, everyone should attend, and Scout leaders have the opportunity!

Scouters may apply if they have met the following **prerequisites**:

Cub Scout/Venturing Leaders:

- Leader Specific Training
- Introduction to Outdoor Leadership Skills recommended

Boy Scout/Varsity Leaders:

- Leader Specific Training
- Introduction to Outdoor Leadership Skills required

District and Council Volunteers

- Position specific training
- Introduction to Outdoor Leadership Skills recommended

CIRCLE TEN COURSES

Circle Ten Council has adopted the national training program for all adult leaders. National Council of Boy Scouts of America has called the program a “training continuum,” to emphasize how all the parts of leader training fit together. Scouts deserve trained leaders and trained leaders deserve the best program possible.

Across the nation, Wood Badge for the 21st Century brings together in one dynamic course the men and women who serve as mentors for Cub Scout packs and dens, for Boy Scout troops and for Venturing crews and ships.

As an adult leader you will benefit greatly from the Wood Badge experience and, more importantly, so will your Scouts!
